Dear Robert,

Regarding your statement on page 77, "Details on the above are being included in this mailing to those who have responded to my survey." I did submit this information when the survey went out, please send details on the expansion hardware.

Below is a variation to the program listed on page 57:

```
5 A=0
10 INPUT A
20 IF A=0 GOTO 50
30 B=A+B
40 GOTO 10
50 PRINT B
60 B=A
70 GOTO 10
```

Put in "0" to get a FINAL TOTAL

Enclosed is a check for ten dollars to cover the cost for Volume II.

Please put in the following ad in the next issue:

PROGRAMMER WANTED: Business Programs written
for small quick printer. Please write to Herb Weintraub,
Instant Printing, 205 North Tradd St., Statesville, NC 28677

Would you be interested in a joint venture in preparing a manual of just the "inner workings of the computer" taken from the newsletters?

Your doing a great job with the **ARCADIAN** Newsletter.

Sincerely,
